	Application date	2018	
	Brand	AUSSIE cap	
	Market	Hygiene and body care	
	DESCRIPTION OF PACKAGING		
	Shape	Press cap	
	Colour	Purple	
	Dimensions, volume	4.3 g	
	MATERIALS		
	Body	Homopolymer polypropylene (PP)	
	Press cap	Copolymer polypropylene (PP)	
	RECYCLING STREAM		
	HDPE+PP stream		

Under the French system, this closure system screwed onto HDPE bottles is directed to the HDPE+PP stream for recycling.

AUSSIE bottles and screw caps are recycled in the HDPE+PP stream.

Given the current outlets for recycled PE and PP, the colouring used does not disrupt recycling.

COTREP is in favour of the AUSSIE closure system, which can be recycled in the HDPE+PP stream with the equipment and techniques currently used in Europe.
